

2016 Citibank Korea Inc. Management Associate Program

Overview

Citibank Korea Inc. (CKI) is looking for Associates to join the Management Associate (MA) Program in Korea. The MA Program has over 40 years of a steady history record of building leadership pipeline for Citibank Korea and will help you discover the best fit for your skills and long-term career goals at Citi through the rotation opportunities.

Program Structure

The MA Program is 12 months, consisting of 4 structured rotations in one of the following business areas: 1) Global Consumer Banking (GCB); 2) Institutional Client Group (ICG) excl Markets; 3) Markets. Rotations are intended to help you build a broad skillset and accelerate your career growth by gaining exposure to numerous roles and people. Upon successfully completing the program, you will be placed in the business that you rotated.
